Sir:

Applicant notes that the Examiner's Statement of Reasons for Allowance mailed December 29, 2009, incorrectly recites "constructing for each character word all the character strings" at page 2, line 13. The correct wording is "constructing for each extracted word all the character strings."

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,
